PROPOSED RESTATEMENT — not an invoice YBI has issued. It rebuilds the month on the negotiated rate and supersedes what was billed (1,474.00).

Labour is at cost. The original billed labour at a loaded rate, so the indirect recovery was already inside it; adding an indirect line to the labour as billed would claim indirect twice.

The category split of the non-labour is not on the cost record — the ledger carries an account and a payee, not an invoice category — so it is one line rather than a guess.

Requires a \$4.4 modification changing the basis from the 10% de minimis to the negotiated rate. Classification is complete and sealed, the rate is certified, and the 200.465 facilities carve-out has been evaluated against the estate on the record.
