This invoice carries no indirect line because the award's budget schedule contains none — not a reduced rate and not a de minimis election, but no provision at all, against 449,043.00 of budgeted labour. Indirect recovery here is unbilled, not waived.

Lines shown at zero are categories the contract allows with no cost this period. They appear because this invoice lists what the award funds, not what had activity, and are reproduced as issued.

Every line is quantity one at a rate equal to the whole amount, as the original was issued. No hours and no burdened labour rate appear on the face of this invoice.
